Academic Appointments

Assistant Professor, College of Economics, Shenzhen University Aug. 2026 – Current

Postdoctoral Fellow, The Chinese University of Hong Kong Aug. 2025 – Jul. 2026

Advisor: Prof. Xiting Gong

Education Experiences

The Chinese University of Hong Kong Hong Kong

Ph.D., Operations Management, Business School

Aug. 2020 - Jul. 2025

Advisor: Prof. Xiting Gong

Committee Members: Professors Xiangyu Gao, Xiting Gong, Woonghee Tim Huh, and Sean Zhou

Nanjing University Nanjing, China

B.Sc., Mathematics, Kuang Yaming Honors School

Aug. 2016 - Jul. 2020

Research Interests

- Inventory Management and Supply Chain Management
- Asymptotic Analysis for Stochastic Systems
- Simple Policies for Complex Systems

Publications

- **Managing Perishable Inventory Systems with Positive Lead Times: Inventory Position vs. Projected Inventory Level** (with Jinzhi Bu and Xiting Gong)
 - *Published online in Management Science*
 - Honorable Mention, POMS-HK 2024 Best Student Paper Competition
 - Selected for MSOM SCM SIG Presentation 2024

Working Papers

- **Technical Properties of A Class of Heuristic Policies in Inventory Systems with Minimum Order Quantity** (with Shiyu Song and Houcai Shen)
 - *Under review at Operations Research Letters*
- **Simple Policies for Serial Inventory Systems with Lost Sales: Beyond Echelon Base-Stock Policy** (with Xiting Gong)
 - *Major Revision at Management Science*
- **Asymptotic Optimality of Independent Base-Stock Policies in Assemble-to-Order Systems** (Single Author)
 - *Major Revision at Operations Research Letters*

Ongoing Projects

- **Asymptotic Optimality of Modified Base-stock Policies for Inventory Systems with Minimum Ordering Quantity Constraint** (with Xiting Gong, Houcai Shen, Shiyu Song)
 - Work in progress
- **Simple Heuristic Allocation and Replenishment Policies for Distribution Systems: Asymptotic Optimality in Two Regimes** (with Xiuli Chao, Xiting Gong)
 - Work in progress
- **Dynamic Compute Infrastructure Management in AI Computing Centers under Performance Growth and Power Constraints** (with Xiting Gong)
 - Work in progress

Honors and Awards

Honorable Mention in POMS-HK 2024 Best Student Paper Competition 2024

Competitive Graduate Student Research Grant Business School, CUHK
Awarded HK\$17,799 for 2022/23 Spring Call May 2023
Aim to encourage RPg students to learn how to write grant proposals
• One of five awardees in 2023 spring call

Conference Presentations

- **“Asymptotic Optimality of Projected Inventory Level Policies for Perishable Inventory Systems with Positive Lead Times”**
 - 13rd POMS HK International Conference, PolyU Jan 7-8, 2023
 - 33rd Annual POMS-Conference, Orlando May 21–25, 2023
 - 2023 POMS International Conference in China , Hangzhou Jul 1-2, 2023
 - 15th International Annual Conference of CSAMSE, CUHKSZ Jul 29-30, 2023
- **“Managing Perishable Inventory Systems with Positive Lead Times: Inventory Position vs. Projected Inventory Level”**
 - 14th POMS HK International Conference, HKUST, Jan 5-6, 2024
 - 34th Annual POMS-Conference, Minneapolis, Apr 25-29, 2024
 - 2024 INFORMS Annual Meeting, Seattle, Oct 20-23, 2024
 - 2025 CUHK-CUHKSZ Joint OM Day, Hong Kong, Feb 28, 2025
 - Durham University Early Career Scholars Workshop, Durham, Jun 25-26, 2025
- **“Simple Policies for Serial Inventory Systems with Lost Sales: Beyond Echelon Base-Stock Policy”**
 - 2025 INFORMS MSOM Conference, London, Jun 27-29, 2025
 - 16th POMS HK International Conference, CUHKSZ, Jan 2-4, 2026

Professional Service

- Ad hoc Reviewer for: *Manufacturing & Service Operations Management*, *Naval Research Logistics*, *Operations Research Letters*, *International Journal of Production Economics*

Teaching Experience

DSME 2030 Operations Management

CUHK

Review Instructor

2023–24

- Undergraduate course with 123 students over 2 sessions.

DOT 6620 Decision Models and Applications

CUHK

Tutorial Instructor

2024–25

- Master's level course with 40–60 students over 2 sessions.
